

PRICES PAYTER TERMINAL

Integrate the Payter Apollo payment terminal with Current and offer direct payment to your customers. Terminals can be ordered via this [link](#), or by scanning the qr code.

NB. Current forwards the order to Payter V.B, which processes it. Once the terminal(s) have been received, send the serial number to support@current.eco for activation.

Terminal activation

Activation cost	EUR 149.00 / unit
-----------------	-------------------

Terminal subscription

With PAYTER data contract (1500 transactions)	EUR 264.00 / year
---	-------------------

Without PAYTER data contract	EUR 168.00 / year
------------------------------	-------------------

The end user is charged a payment fee of 3% per transaction.

The current exchange rate is used when costs are invoiced in local currency.
